

TEDxThunderRidgeHS

We are pleased to invite you to support TEDxThunderRidgeHS, a privately organized event that would provide a platform for several individuals to present on topics under the categories of Technology, Entertainment, and Design. Speakers of all ages would be allowed the opportunity to share their thoughts on virtually any idea, as long they uphold TEDx's requirement of sharing "ideas worth spreading" with out-of-the-box, creative thinking. Provided that we could achieve this goal, with your help, we would be able to complete the planning process and hold the event in February of 2020, during our senior year of high school.

Given that this project would enable unheard voices to spread their passion and ingenuity, we feel as if it has the capacity to connect our onlooking community on both a cultural and intellectual level, with the theme 'Illuminate' being the focal point. For these reasons, hosting a TEDx event would hold great meaning to us, to our speakers, and to the community; it is therefore something that we would love to make a reality. However, we are finding that the main obstacle preventing the fulfillment of this goal is the finances and funding. This event would demand roughly up to \$5000, a sum that none of us can readily provide. As a result, we are seeking sponsors who would be willing to lend their generosity to our cause.

We understand that we are asking for no small amount, but we assure you that we are willing to work every step of the way, regardless of future obstacles, to render this vision successful with your help.

We want you to know that we would be greatly appreciative of any help you could provide. Thank you very, very much for considering our request. If you have any questions, feel free to reach out to us at tedxthunderridgehs@gmail.com, or visit our website at www.tedxthunderridgehs.org
